# March Trade Sale

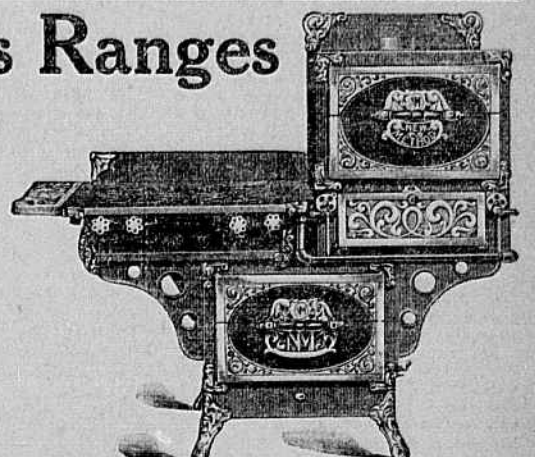

It is our purpose to make this March Trade Sale the biggest Furniture bargain event in the history of our career—to make March the banner selling month of 1909. To that end we've not only cut prices to the extreme on all lines of Furniture to be closed out, but we've included in the sale many advance shipments of new Furniture at extraordinary bargain prices. Take advantage of this opportunity to save big money on the Furniture you'll need this spring. And remember, you can buy on credit.

## We Are Exclusive Agents for the New Method Gas Ranges

It Stands Unrivaled—Far in Advance of All Other Makes. To See It Makes It Easy for You to Decide. It Has Every Improvement Known in the Manufacture of Gas Ranges.

The New Method Gas Range will cook better, bake, broil or toast more evenly and without scorching or burning—  
BECAUSE AN EVEN DISTRIBUTION OF HEAT prevents the flame's warping or burning out the oven bottom—it gives cooking time to brown on top before burning on bottom—  
BECAUSE the New Method Gas Range Oven is made of steel heavily annealed, and is round—not square—cornered, the heat passes in more swiftly and is retained for a longer time—making cooking 20 per cent. quicker—

BECAUSE the steam and odor of cooking sauteing, onions, etc., is CARRIED DIRECTLY TO THE CHIMNEY from a grate in the roasting oven—offensive cooking smells are not thrown off into the house—  
BECAUSE the New Method Gas Range stamped steel burner, with its inch opening, will consume nearly three and one-half times more air and over 25 per cent. less gas than any other burner to produce the same degree of heat—the cost of cooking is vastly reduced.
